

MINUTES
1st PUBLIC HEARING ON MILLAGE RATE
FOR: 2019 TAX PERIOD

START: 6:00 P.M.

August 21, 2018

6:05 p.m. read statement by Tom Barr, Councilman

PUBLIC COMMENT:

1. **Danny Beasley** – misunderstood millage vs. digest. Spoke for a full 3 minutes and then became belligerent and used a loud manner and made off handed accusations. 3 minutes – Beasley screamed and cursed at the Council. Then announced he wanted to quit the Zoning Board. Danny Beasley was told that I, as Mayor would accept his resignation.
2. **Richard Sell** – Asked Mayor to explain his position on raises. After much questioning it was Richard who decided to ask finally, will there be raises put in the budget. Richard was told not at this time.
3. **Ben Futch** – said he didn't understand how we could raise taxes. Mayor responded that the City did not roll back millage and that is the "oldest" trick in the book.
4. **Bob Wilburs** – stated that he liked and "encouraged" the increase in millage from the County.

Mayor called meeting to a close.
